Take The London Challenge Event at UK e-Health Week Olympia National, London - 3 March 2015

Take The London Challenge event will look at the big health challenges for London and how to overcome them. This exciting one day event is part of **UK e-Health Week** and includes:

- In the morning on the Open Stage there will be a speaking programme featuring top leaders from health and care
- Afternoon panel sessions, bringing together practitioners and experts from across London to discuss key health and care issues

- An evening event to inspire and encourage tech companies to help solve London's biggest health challenges

Take The London Challenge is hosted by NHS England London in partnership with the GLA, London AHSNs and MedCity. As the host city for **UK e-Health Week** 2015, London is leading the way in many areas of e-Health and digital innovation.

Register now at www.ukehealthweek.com.

3 March 2015
Olympia National
London

Evening Event - Take The London Challenge

17.30 to 21.00, NHS Plenary Room 7

The purpose of this meeting is to invite tech and SME companies to **Take The London Challenge** and address four priority challenges for health and care in London:

- Putting people in control
- Dementia
- Mental health
- Obesity

The meeting will challenge, inform, inspire and give tips to the delegates to help them help us to meet these challenges.

The **Take The London Challenge** event is part of the two day **UK e-Health Week 2015** show at Olympia on the 3 - 4 March.

Registration includes access to the rest of UK e-Health Week, including an mHealth Summit, NHS England Nurses' plenary programme, a Future Zone, Best Practice Area and the BCS HC 2015 conference. For more information visit www.ukehealthweek.com

#EHWK15LDN
