

# Meet our delivery partners

**Health Innovation North East and North Cumbria** provide expert mentors to guide Mindset projects. HIN NENC also lead on ensuring innovators based in Scotland are engaged, stimulated and included in Mindset opportunities.

**Health Innovation South West** provide expert mentors to guide Mindset projects. HIN SW also lead on ensuring innovators based in Wales, South West England and South Midlands are engaged, stimulated and included in Mindset opportunities.

**Health Innovation North West Coast** provide expert mentors to guide Mindset projects. HIN NWC also lead on ensuring innovators based in the North of England and North Midlands are engaged, stimulated and included in Mindset opportunities.

As overall programme leads, **Health Innovation Network South London** will bring expertise from other accelerator programmes, coordinate expert mentors and lead on ensuring innovators wherever they are in the UK are engaged, stimulated and included in Mindset opportunities. HIN South London will also utilise their existing networks to support innovators in and around London and the South East of England.

**Hardian Health**

**Hardian** are regulatory experts who will deliver a package of e-learning and bespoke support to projects navigating regulation.

**MQ Mental Health Research** is the UK's leading mental health research charity, who will provide learning and advice on how projects can engage people with lived experience.

**XRHA** bring international XR expertise and opportunities for projects, including a wide range of connections.

**The Health Innovation Research Alliance Northern Ireland** will provide innovator support, expert advice and knowledge on commissioning, especially in Northern Ireland.

**King's College London** will provide e-learning and bespoke support in clinical research.
